Welcome to Amazon Web Services,

Explore more than 100 products through free trials and always free offers to start building on Amazon Web Services using the [Free Tier](#). Some offers are only available to new customers for 12 months following your Amazon Web Services sign-up date.

When your 12 month free usage term expires or if your application use exceeds the tiers, you simply pay standard, pay-as-you-go service rates (see each service page for full pricing details). For more details, see the [offer terms](#).

Here are a few easy ways to get started:

- \* [Find technical documentation](#)
- \* [Learn with tutorials and guides](#)
- \* [Start building in the Amazon Web Services Console](#)

If you have any additional questions, please contact our [support services](#).

Sincerely,  
Amazon Web Services
